To enter and pay please visit:

[QUALIFYING New Jersey Pony Club - 2024 Dressage Rally](#)

Regular Champs - C1 or higher, 12 years of older

Modified Champs - D2 or higher, 10 years or older

[NON-QUALIFYING New Jersey Pony Club - 2024 Dressage Rally](#)

Open to all members of all ages and certification levels

We hope you will find the entry process with Blue Horse Entries more convenient and time efficient. A few notes about creating your entry.

- If you haven't already, you will need to create an account and add your horse (s) with Blue Horse Entries.
- If you are entering your child, please create an account and then follow verification instructions before you can add your child's information. This only takes a few minutes.
- **Proof of negative Coggins and USET liability form are required and can be uploaded directly to your account on Blue Horse.** Your entry is not considered complete until we have both of these documents. DC's must submit Coaches forms to secretaries prior to the day of the event. **All documents must be received by April 22.**
- When entering, please indicate your CLUB NAME in the "Pony Club Affiliation" and "Team Name" sections.
- For Regular Qualifying Riders ONLY, if signing up for a Regular Qualifying test you must

also register for a Freestyle or Pas de Deux.

- **All riders, please indicate your tests of choice in the notes/special requests box on the final page of your entry.**
- PLEASE REVIEW THE TEST DESCRIPTIONS LISTED TO DETERMINE WHAT TEST TO ENTER. ALL TESTS HAVE AN OPTION FOR JR & SR DIVISIONS.

****Here is how to get a minor added to Blue Horse Entries****

1. Under profile settings, click on the Rider Under 18 tab.
2. Complete a brief, one-time ID verification process that enhances security and safety by ensuring accuracy of parent and guardian information.
3. Click to add a rider under 18 and add their details.
4. Once saved to an account, when they go to register for an event, they will select either themselves or their child as the rider on the first step of the entry process.
